Crozier  
1 Oct 1962 - Memo on Assessment of Noemayr.

Handling elite student group - propaganda, political  
action, training infiltration/sabotage teams -  
has tremendous energy & ability - puts himself  
completely into his job. Occasionally his  
discouragement (shared by many at the Station &  
over lack of policy to drive ahead) has caused him  
to display social behavior problems.
